### **Spelling Bee Club**

Every Thursday 3:30 - 4:30, Nov - Feb

The Spelling Bee club will basically run November - February to help the Spelling Bee participants prepare for the Private school & hopefully the regional Spelling Bee competitions.

Non Spelling Bee participants are welcome to join and benefit from the spelling rule review and drills.

**Non Spelling Bee participants:** may not be disruptive in anyway that may take away from the purpose and goals of the Spelling Bee Club.

### **Guided Reading Club**

Every Wednesdays from 3:30-4:45

Grades 1-4

The students will be broken up into two groups based on their reading levels. We will focus on close reading skills, like understanding main idea, theme, author's purpose, etc. There will also be additional phonics and word work practice to boost students' reading fluency. Studies have shown that the more students read, the higher their scores and understanding will be in all subjects!
