Respected VCS Parents,

VCS's number one priority is the safety of our students and staff. Our dedicated team has been meeting regularly to plan for our students' return for the 2020-21 school year. Given the current situation the safest option is Distance Learning. However, we are sensitive to our families who want the option to have their students attend classes on campus, due to their circumstances or students' unique needs. On Friday July 10th it was decided in the Board meeting to offer the option of Distance Learning and an option for returning to campus to VCS parents. Under that plan the parents would be able to choose to sign up for Distance learning Monday thru Thursday with Friday dedicated to our Distant Learners, who will be able to schedule one on one meetings with their teachers via Zoom or in person. Barring a mandated closure, parents will also have the option of signing their students up for Traditional school. Under this option the students will return to campus Monday through Thursday and will have Friday off.

Nevertheless, this is a rapidly evolving situation. Los Angeles and San-Diego schools announced today that they will only offer on-line instruction. We are continuing to monitor the situation and will keep you updated. Insha-Allah

Sincerely
VCS Administration
